 - e-mail.
3. **Abstract** in the language of the scientific paper and in the English language.
4. **Key words** in the language of the scientific paper and in the English language.
5. **References** (in the original languages of cited publications).

Requirements for the materials

Submitted articles should be written in one of the conference languages: Russian, English, Spanish or French.

Maximum number of A4 pages: 6 (including abstracts, figures, tables and references).

Margins - 2 cm on each side.

Text editor - Microsoft Office.

Font - Times New Roman, 12 pt.

Line spacing - 1.15 pt.

Text alignment - justified.

Paragraph - 1.25 cm.

Without hyphenation and pagination.

For the mathematical and Greek symbols Symbol characters may be used.

Formulas should be typed in Microsoft Equation.

Illustrations with resolution not less than 300 dpi should be placed in the text. They should be prepared for a black-and-white printing. The titles of the illustrations should be placed in the text immediately after them, font – Times New Roman, 12 pt, alignment – justified.

Bibliography - numbered list of references. In the text, the references should be indicated in square brackets as a number from the list of references. Several links in the same brackets are separated by commas. The references are listed at the end of the article in the alphabetical order.

The article title is printed in capital letters, font – bold, alignment – centered. Below, in small letters - the initials and surname of the author(s). On the next line - full name of the organization, city, and country. After a two line spacing the text of the article should be placed.

Conference proceedings will be published by the beginning of the Conference.

The organizing committee reserves the right to reject materials that do not meet the above-mentioned requirements and conference thematic.

Example of article:

THE ARTICLE TITLE, CAPITAL BOLD LETTERS, SIZE 12, CENTERED

Smith S., Thompson T., Jones J. – the Authors, separated by commas, 12 pt, centered.

Organization name (in full). City - on the next line.

e-mail

If the article is not written in English, it is necessary to duplicate its title, the authors names, the organization name and the contact details in English, following the above-mentioned format.

Abstract. Abstract up to 500 characters is placed below double-spaced. Font – Times New Roman, 12 pt, alignment – justified, paragraph 1.25 cm, 1.15 pt line spacing.

Keywords: keyword 1, keyword 2, keyword 3.

If the article and its abstract are not written in English, the abstract in English should also be placed after one-line interval.

After a two line, spacing the text of the article should be placed. Font – Times New Roman, 12 pt, alignment – justified, paragraph 1.25 cm, 1.15 pt line spacing. Without hyphenation and pagination. The reports will be reproduced in the authors' edition. Abbreviations should be reduced to minimum, please use only standard abbreviations. If you need to use unusual and special abbreviations, place them in parentheses after the first full writing and then use in the text. Please note that each article must not exceed 5 pages maximum, including text, figures, tables and references.

References:

After single-spaced, in alphabetical order.

The electronic version of each article should be submitted in a separate file. The file must be named by the first author. If you have several reports, it is necessary to add the numbering to the title. For example: Thompson; Smith_1;

The Organizing Committee confirms the receipt and acceptance of materials in two days after you send them. If you did not receive confirmation from the organizing committee, please repeat the submission.

Additional Information:

344090, Rostov-na-Donu, ul. Sorge, 40, room 114, Southern Federal University, Institute of Earth Sciences, Department of Physical Geography, Ecology and Environmental Protection;

Chairman of the Organizing Committee - head of the Department of physical geography, ecology and conservation of the Institute of Earth Sciences, professor the Southern Federal University, D.Sc., Yury Fedorov.
